

## Got Tanks? We Have You Covered.

We offer comprehensive coverage solutions for above and below ground storage tanks, including corrective action (cleanup) costs and third party liability. Two coverage options are available:

**Broad Form Coverage** - Coverage trigger is "Release" of petroleum product. We will investigate suspected release.

**Basic Form Coverage** - Coverage trigger is "Confirmed Release" of petroleum product. Insured must identify source of release. We cover investigative costs if release is "confirmed".

### Storage Tank Limits, Deductibles and Coverage Features:

- Limits up to \$1,000,000 Each Claim/\$2,000,000 Agg. Policy Limit
- Defense costs are outside the policy limits
- Policy includes approved certificates to satisfy state requirements
- Deductibles starting as low as \$1,000
- Per location limits of \$1,000,000 available (up to \$10,000,000 aggregate)

### Minimum Premium:

- \$750

### Optional Coverages:

- **Storage Tank Repair and Replacement Coverage** - Covers necessary costs to repair or replace underground tanks as a result of a covered release.
  - o Limits: \$25,000 with \$2,500 deductible or \$50,000 with \$5,000 deductible .
- **Business Interruption and Extra Expense** - Covers Business Interruption and Extra Expense loss resulting from a covered release.
  - o Limits: \$25,000 with \$2,500 deductible or \$50,000 with \$5,000 deductible

We can consider risks with older tanks. Please contact us for additional information.
